Additional Guarantees/

Additional requirements for the import of raw hides and skins of ruminants: /

Since the occurrence of the Lumpy Skin Disease has been recorded on the territory of the Hellenic Republic, which has been confirmed by the data and notification of the World Organisation for Animal Health (OIE), during the control of shipments of raw hides and skins of ruminants intended for exportation to Montenegro, the authorised official veterinarian of the Hellenic Republic must, besides a certificate, confirm the additional guarantees attesting that:

1) raw hides and skins were died, dry-salted or wet-salted for at least 40 days prior to shipment;
