Fraudulent and deceptive practices

- A control & infringement case of a retailer (PPP registered seller) systematically distributes fraudulent PPPs using a special space of his store. All illegal/unauthorized PPPs found, were confiscated and withdrawn from the market.
- Control cases of agricultural/professional users not compliant methods on the sustainable use of PPPs, and had been reported to the authorities by neighbors.
- 3 cases of imports of illegal/unauthorized PPPs from Turkey, and participation in a fraudulent network.
- At the level of manufacturers there were some cases of labeling not according to the authorizations of the PPPs and a case of non compliance of the concentration of the a.s. in the PPP.
